

An Explorers' Gathering

Sunday, December 9, 2007. 1:00 to 4:00

Karine and Lee Langan welcome you to an Open House.

Please join us on this Sunday afternoon to visit and talk about our Chapter, to chat with other members, to sip some wine and to taste some tidbits (not too exotic.) Unfortunately there are 22 steps to the front door.

All members of the Chapter and their partners are welcome; bring along someone who might be a prospect, too. A good chance to get acquainted.

Parking can be problematic; take your chances. It is a nice neighborhood.

Let us know if you can come, so provisions can be stocked.
