## **and The Northern California Chapter**

### *Host a Reception for His Royal Highness Jigyel Ugyen Wangchuck Crown Prince of Bhutan*

**TUESDAY, 18 MARCH, 2014**

**THE STANFORD FACULTY CLUB**

6:00 PM Reception

7:00 PM Dinner

This evening will be a rare opportunity to honor HRH, the Royal representative of Bhutan, in a very limited group while enjoying fine cuisine and wines of California. HRH will be returning from the Explorers Club Annual Dinner and Awards in NYC, where he will be as part of his Worldwide Tour in promotion of “The King’s Challenge”, an epic 14 day journey he has developed to share his country’s many resources with those studying this unique mountain kingdom. Many of us Explorers have envisioned a visit to Bhutan as a lifetime bucket list must. HRH will inspire us with ways to turn this into reality, allowing us to experience, through a personal visit, what he states as “*Bhutan’s Gross National Happiness*”, his country’s real quality of life measurement.
